Staff Experience

Watch What Happens Live with Andy Cohen [Bravo]

+ Post Producer | December 2021 – January 2024

- Produced and supervised all edits made to over 240 episodes, 5 or more per week
- Worked alongside executives, talent reps, and brand clients to ensure content accuracy and satisfaction
- Managed a team of 2 editors and a team of 2 associate producers through daily workflows for each taping
- Logged story notes for all WWHL episodes and external Bravo shows in order to maintain network knowledge and voice
- Assisted associate producers with acquiring, preparing, and approving elements for each show
- Oversaw the organization of media on internal libraries and within Avid to facilitate streamlined access for staff
- Pitched creative for segments, on-air talking points, digital content, and show elements
- Led the post production for additional projects including reunions, specials, sizzle reels, ad sales, and internal packages

+ Associate Producer | July 2018 – December 2021

- Produced all clips, packages, and external media for each evening's episode
- Prepared content from internal and external channels through Avid editing software for the show and its social media
- Reported media to our legal team to ensure all materials are licensed for broadcast and social media use
- Monitored social media platforms to curate interactive elements for show broadcast
- Rebuilt WWHL's associate producer role to adapt to a work-from-home model during COVID-19 pandemic

BravoCon Live with Andy Cohen [Bravo]

+ Post Producer | August 2023 – November 2023

- Supervised the entire edit process from pre production through post production for 5 live event TV specials
- Directed a team of 4 editors and 2 associate producers through project duration
- Worked with executive producers by providing notes and direction for each episode in its final form
- Coordinated and developed the technical setup and workflow of post operations on location in Las Vegas, NV
